SUBJECT: Intelligence Community Testimony To The House Permanent
Select Committee on Intelligence, April 24 and 25 (OUO)

1. The following material is provided for your information. It is a summary of the significant topics discussed with the HPSCI on 24/25 April, 1984. The Committee heard testimony from four former government officials on 26 April. HPSCI intends to have the various policy agencies appear in the period early to mid-May. A revision of this memo may be sent to you later this week. [REDACTED]

4. I opened the testimony with a vugraph presentation for about 25 minutes. It depicted the ways in which US intelligence supports the arms control process, and how both the Arms Control Intelligence Staff and the Strategic Arms Monitoring Working Group fit into this scheme. I then offered to answer Committee questions. [REDACTED]
